

AMERICAN SURVIVAL GUIDE

2020

Reserve your digital advertising with this Savings Package from American Survival Guide

Natural disasters strike daily around the globe — earthquakes, avalanches, and floods, not to mention man-made calamities such as war, terrorist attacks, and power failure cause draught, disease, famine and civil unrest. This isn't an if scenario, but a when.

And that's exactly why preparedness is critical... whether it's in the aftermath of a natural disaster, a wilderness trip gone terribly wrong, or an attack completely out of your control. Are you prepared?

With **American Survival Guide**, you will get everything you need to know on how to act when disaster strikes and self-reliance means the difference between living and dying. Plus the latest on how to provide energy to your home, grow and preserve your own.
